✓ **Tick means green foods – choose these first**

Lunch orders are no longer accepted at the canteen due to the increasing number of students using the canteen. Instead, students should bring their completed order and money to their classroom and put in their class box. When the siren goes the classroom lunch monitors will bring the box to the canteen. If your child is late to school, then orders can be dropped at the canteen.

We are always keen to have helpers in the canteen, particularly on our very busy Thursday and Friday mornings. If you can help out, please call at the canteen or phone Dee on 0402 111 955.

Jeab Richards's famous spring rolls (chicken & veg or veg) are now available for you to take home and cook. \$25.00 for 50. All proceeds to the canteen.

Due to the Department's new 'Traffic Light System' now being implemented at all public schools, our menu is 70% green and 30% amber. You will notice ticks on certain items on the menu – these denote green foods and should be considered first when ordering.

The canteen is open Monday, Thursday and Friday.

You can now buy school hats from the Canteen for \$13.50.

Thanks again for your support.

Deanne Bradshaw, Jenny Clarke and Kim Woolford.
