The Principal's Pen,

Dear Parents,

Our final week of term has been extremely busy and students and staff are looking forward to a very well earned rest. Miss Motherway's assembly was a blissful note to conclude the term on with the Year 1/2 students presenting a series of poems, jokes and songs complete with signing, a new language they have learnt from Ms Motherway. The wonderful Deanmore Choir and SIMS Guitar Ensemble also added to the great entertainment. What a lovely surprise to have the BFG and Miss Trunchbull presenting the Merit Awards.

On Monday and Wednesday our Inter School Athletics Team performed extremely well making significant improvements on last year's results. Their pre carnival training was approached in a serious and united manner and on the day they operated as a cohesive and highly focussed team. Congratulations to all Deanmore students who participated for Deanmore. We are proud of your efforts!

New Deanmore

It looks as if we are over the final hurdle and our long awaited school will finally take shape. Earlier this week the PCG met and architect Tony D'Angelo outlined the plans to the members present. He received high praise from the group for the excellence of his work and his unending patience with the task.

A special thank you to the parents and community volunteers who come forward and offer assistance with the many programs we run at Deanmore. Your generosity of spirit benefits every child and your selfless contribution is acknowledged. P&C President Janet Pettigrew and her Committee are extremely dedicated to their roles and continue to work tirelessly to make our school a better place.

This term has not been without its challenges and each day seems to bring accommodation issues that only sheer creativity can solve. The Pre Primary Units will be ready for occupation next term. The three transportables on the oval edge will be relocated to create a clear site for the builder of the New Deanmore. Over the vacation, staff will commence the move to the new site.
