## *The Principal's Pen,*

Dear Parents,

This is just a quick up-date to end Term 1.

### **Building Education Revolution**

We have secured funding which will provide us with some terrific equipment, which we will be able to transfer to the new school. We have currently been granted funding to purchase glass bi-fold doors for the undercover area of the new school, playground equipment for the PP, garrison fencing to the southern side of the oval which will be used in the new school, as well as some funds to repair our current car park as we do have a number of potholes developing.

### **ANZAC Service**

I would like to thank a number of people who have helped to make sure that our Anzac Service ran smoothly. Firstly a big thank you to our parent helpers for ensuring that our floral arrangements were spectacular. Special thanks to Clinton Holland and Lucy Evans for the terrific job that they have done in organising our service.

### **Mobile Phones**

The school has revised its mobile phone policy to keep in line with the Department of Education's guidelines. If your child does need to have a mobile phone whilst at school, could you please complete the consent form which accompanies this newsletter. Please return forms to the school office at the beginning of Term 2. If you require additional forms, these are available from the school office.

### **Perth Zoo**

Carol Morfitt from the Perth Zoo visited the school on Tuesday to present certificates of appreciation to students. I would like to share with the school community her comments; 'I just wanted to say what lovely teachers and students you have (I have been out to many schools) I was very impressed'.
